Me and some of my friends drove out (2 hrs.) to Trenton, New Jersey to see Kreator, D.R.I., and Holy Terror. Kreator played for about 15 minutes and was forced to stop early due to skinhead-thrasher conflicts in the mosh. D.R.I. ended up playin for over an hour. What a shame...

Ruben (co-owner of Boonville Boards) has left for college. Just imagine 10 people slamming in a bathroom stall to get the effect his going away party had.

On a lighter note, there are just 3 months left in the Reagan administration.

Is it true that the Ronald Reagan we see in public is just a well trained impersonator? Are the real Reagans brain and left hand being kept alive in a jar in the White House basement?

The BEYOND/REACH OUT demo tape. If you have it, GREAT! If not, send \$2 or so to: SHRED Vic/17763 Bellechase Circle/San Diego, CA. 92128
